HOW TO REACH OUR NURSERIES

Visitors are always welcome. We are conveniently located only 42 miles northwest of Chicago.

When coming by the way of Chicago, you are directed to the C. & N. W. Depot on Madison Street, from where it is an interesting ride of one hour and thirty minutes direct to the nursery.

For an hourly service from Chicago, take the A., E. & C. Electric Line at Wells street and Jackson Boulevard, direct to Elgin, transferring to the Dundee - Carpentersville car, getting off at stop No. 4, from where it is but a two-minute walk direct to our office, which is located right on the nursery grounds.
